Fellow Nobles and Ladies,

I would like to personally thank you for your support and the opportunity to serve as Potentate of Omar Shriners in 2022. I am humbled that you have put your faith in me and the 2022 Divan for this year.

Your Divan has an outstanding team spirit and we look forward to working with our Clubs, Units and Nobility to achieve great things for Omar Shriners.

The 2022 Information book provides vital information with a brief overview of rules, policies and by-laws for Shriners International and Omar Shriners for your review. Should you have questions, please reach out to the Omar Recorder or a member of your Divan.

The 2022 Divan and I look forward to working with you in 2022.

Fraternally yours,
Andy Garvin

OMAR SHRINERS
MT. PLEASANT, SOUTH CAROLINA

Greetings Omar Nobles and Ladies,

Congratulations to Illustrious Sir Andy and the entire Omar Shriners Divan, as well as all the many club presidents and unit directors and officers on their newly elected positions. It is your assumption of these leadership roles and the team of volunteers that surround you which allow our organization to function and to rise to even greater heights. Thank you for serving and supporting our Temple.

It's an honor to continue to represent and promote Omar Shriners as I currently serve as Imperial Chief Rabban and am a member of the Board of Directors and Board of Trustees for Shriners International and Shriners Hospitals for Children. But I started just like any Noble. I was just excited to have been initiated into Omar as a new Shriner, and then I started volunteering, and later I assumed roles in my own club and units. In 2012, I served one of the most rewarding roles of my life as Potentate of Omar. So as they say, I've walked in your shoes and know the issues and challenges you may face in your duties as our leadership team. My advice to you is to always create a plan and work that plan for the betterment of the organization, and to put a team who supports your mission and goals in place, and to remember how important it is to get everyone to work together for the common good.

With the vote of the representatives, I will be installed as Imperial Potentate at the Imperial Session Minneapolis this coming July. In preparation for this, we are planning to do some filming for a video that will be shown there as part of the Pageant and Installation festivities. I would like to invite all my Shrine Family, Nobles and Ladies, to try to attend this filming scheduled to take place at Summerville Lodge's annual Smoke at the Lodge BBQ event on the evening of April 1st, 2022. It is important to Lady JJ and me that we be surrounded by those who mean so much to us – our friends and family. I want to showcase Summerville Lodge and Omar Shriners to the world, and this video gives me that opportunity to share a bit of what and who is truly important to me.

I hope you will accept my personal invitation to join us in Minneapolis for the 148th Imperial Session of Shriners International, July 2 – 7, 2022, as we celebrate the 100th Anniversary of Shriners Hospitals for Children and the 150th Anniversary of Shriners International. We look forward to celebrating these exciting milestones with you there. And of course, I hope all of you will plan to attend our own Imperial Session of the Carolinas the following year in Charlotte, NC, from July 2 – 6, 2023. www.imperialsession.com

In closing, I thank you for your continued support of my journey and our Imperial Session of the Carolinas, and more importantly, I extend my best wishes to all for an outstanding year at Omar in 2022 as we celebrate our proud history and focus on the future.

Yours in the Faith,

Kenny Craven

ORGANIZATION BY-LAWS

Throughout the day you will be hearing things concerning the total organization of the Shrine. It appears that the general structure of the Shrine is a business-like, modified version of line and staff control by which the order and control comes from the Imperial Council and at the same time provides a reasonable amount of local flexibility at various levels of authority.

The final authority, however, is vested in the Imperial Council, operating under the Articles of Incorporation and By-laws of the Iowa Corporation.

The term "Shrine Law" is used in day-to-day administration of the affairs of the Temple. It is therefore important that officers of units and clubs be aware of the Imperial Rules and Regulations, Omar Temple By-laws and Club and Unit By-laws to which they belong.

Let me remind you that the obligations you have taken as a Noble should not be taken lightly. Temple Officers, Unit and Club Officers and all Nobles take a Solemn Oath to strictly confirm to the Imperial Law as well as the By-laws of Omar Temple.

The orderly pursuit of a common purpose requires organization which necessitates a structure. The structure in the Shrine is founded upon an Iowa Corporation known as "The Imperial Council of the Ancient Arabic Order of the Nobles of the Mystic Shrine" to which is granted "Supreme Authority" and "complete jurisdiction and essential powers necessary to control and govern" of the Shrine.

SECTION 336.1 OF THE IMPERIAL BY-LAWS READS AS FOLLOWS

By the Provision of Section 336.1 of the Imperial By-laws, the units are part of the working corps of the Temple and are under the control of the Potentate. Because they are part of the working corps of the Temple units, their officers and members are indirectly accountable to the Potentate of their Temple for their activities, their money and their property. Since this is so, it has been held that units may not be incorporated independently, and that holding company may not be formed to hold property for a Temple unit. Moreover, the money and property of a Temple unit must be accounted for to the Temple itself and must be handled in the same manner as all other Temple funds. It has been held that the expenditure of each unit funds for or by the unit must be consistent with the budget adopted by the Temple pursuant to Section 334.4 and Section 327.5. Each Temple should require each of its units to make accurate and complete financial reports to the Temple on a standard form acceptable to the Temple Auditor. Not only is this method of handling unit finances mandated by the Shrine Law, but the accuracy and completeness of the accounting method used for unit finances is required by the Internal Revenue Code of the United States.

Our fraternity enjoys a Tax-Exempt Status under the Internal Revenue Code. The benefit of this tax-exempt status by our fraternity as a whole can only be maintained if each Temple, Unit, Club or subordinate part of each Temple and manages its finances and activities in a manner consistent with the provisions of the Federal Income Tax Law. This tax exemption can only be maintained if our units and clubs as well as the sponsoring mother temples adhere to the provision of both the Imperial Code and the Internal Revenue Laws relating to fundraising, expenditures and accounting.

Informed, dedicated and educated leadership is the key. As has been said before, the Potentate of each Temple has absolute control of each unit and its members and the money, property, assets and activity of each unit. With this absolute control, there is a heavy burden of personal responsibility placed upon each Temple Potentate. By the provisions of Section 327.1 of the Imperial By-laws, the Potentate is held personal responsible for the government of his Temple, and it is the Potentate's personal responsibility to require that his Temple, its officers and members adhere to Shrine Law.

The Potentate of a Temple should never approve unit officers that lack the capability or sense of responsibility to fulfill their task within the framework of Shrine Law.

The importance of the unit structure to the success of Shrinedom as a whole cannot be overemphasized. Through well-manage, well-regulated, active and enthusiastic units, the Nobility of our fraternity is given a sense of pride, accomplishment and satisfaction with their membership in our fraternity. Public exhibition of such units, well-disciplined and well-regulated bring credit to our fraternity and public acceptance support of our philanthropy. Nothing could be more erosive of our fraternity's good name than an attitude of indifference by a Temple Potentate toward the control of his units or an abdication of the Potentate's responsibilities in this regard. The authority given each Temple Potentate borders on the absolute, each Potentate owes it to himself and to the Nobility who gave him that authority to exercise it wisely, judiciously and at all times in the best interest of his Temple and our fraternity.

“Control by the Potentate” “The Clubs and Units are a part of the working corps of the Temple and are under the control of the Potentate and must be composed wholly by Nobles.”

The subject of the unit finances in general has caused some difficulty in the past in many Shrine Temples. Most of this difficulty concerning the handling of finances and, indeed, most of the difficulty which arises in connection with unit activities in general is caused by a common misunderstanding of what a Shrine Unit is. In some circles, it is believed that Shrine units because they have officers and presumably by-laws, are autonomous, self-governing, independent entities. Nothing can be further from the truth.

FUNDRAISING ACTIVITIES

It is natural to associate the Fez with Shriners Hospitals for Children. Because of this, meticulous attention must be given to all fundraising activities, including circuses to make certain that a contributor is not led to believe that his money will be used for the hospitals when all or a portion thereof will be used otherwise. The integrity of our charity and of our fraternity must remain above reproach.

Omar Shriners Points System

The Omar Shriners Points System consists of two parts:

1. **Medal of Honor Points**— Nobles earning these points qualify for the distinguished blue blazer or the coveted Medal of Honor Fez
2. **Hospital Points**— Nobles earning these points qualify for the distinguished hospital pin

It is imperative that each Noble understand these two point programs are not interchangeable.

All Fundraising monies, including hospital money must be turned into the Temple to receive credit for points. Points must be turned to the Temple within 30 days of receiving the points. After 30 days you must contact the

The Medal of Honor Fez is a very prestigious and coveted award that is awarded to a deserving Noble in honor of the work he has done for the Temple. However, you must realize that the supplier takes 14-16 weeks from the time the order is placed to produce the Medal of Honor Fez. While we certainly understand that you want the Fez to wear as soon as possible and to have it presented in front of your friends, we must curtail the confusion of borrowing fezzes just to satisfy egos. Med of Honor Fez Recipients will be notified when the fez arrives and then we can make arrangements for the presentation

Hospital Points

- 600 Points per day for transporting children to the Cincinnati Hospital
- 500 Points per day for transporting children to the Greenville Hospital

Points and money must be sent to the Recorder for credit. If you are not a member of a unit or club you must turn in your money to the Recorder's Office for point credit.

Again, hospital points will be awarded separately under the hospital point program. They do not apply to the medal of honor point program

WHAT IS PROTOCOL?

It is a very serious subject and one that we all should be knowledgeable in. The term protocol refers to a code of diplomatic etiquette and precedence, which constitutes the expected norm governing among other things, official entertainment.

It is imperative that each noble expecting to take part in the social life of the Temple, a Club or Unit learn the proper title by which each officer is addressed and the order of rank. When a Noble has been elected to a high position in Shrinedom, the respect due his office should not be overlooked.

This handbook sets forth the general rules of Shrine protocol which, when logically applied, will lead to the proper solution. In the final analysis, however, experience proves that common sense must be combined with genuine thoughtfulness to resolve the somewhat atypical situations that arise.

The use of proper Shrine protocol produces confidence in the realization that you are doing the right thing. Proper protocol also tends to reduce stress and decision making for those involved in planning Shrine activities.

All Nobles have a responsibility for knowing and observing those amenities which time, practicality, and civility have proven so useful in this highly structured organization.

Unknowingly, many of us have violated Shrine protocol in the past. Some continue to be violators due primarily to the lack of communication on the part of us who are responsible to instruct in this area.

- There are many important items that could be discussed now, but there are only a few that are often violated. **ONLY** the Potentate and Past Potentates are introduced as Illustrious or Illustrious Sir. A most common violation that occurs all too frequently is to allow speakers to talk after the Potentate has spoken. **The Potentate speaks last and no one should speak after him unless he has obtained permission from the Illustrious Sir in advance.**
- One important protocol procedure is the program setups for meetings. There is no positive order one must use in conducting the general meetings except for Invocation, Pledge of Allegiance and the Introduction of Guests, Past Potentates, Members of the Divan and then the Potentate. However, one should have a definite order for meetings. **The Invocation, Pledge and Introductions are mandatory.**
- At all meetings, banquets, etc., in which a head table is in order proper seating arrangement, should be followed. Included in this manual is a drawing of the proper seating when the Divan is in attendance and when their ladies are also in attendance. This is strict protocol. The seating order moves up when a Divan member is absent. Check the Recorder or Noble in charge to clear any seating arrangement change. Whenever possible, name place cards should be used.
- Included in this manual is a list of Past Potentates. In making introductions you should introduce the Past Potentates in reverse order of their service as Potentate. Included also is a list of the Divan and their ladies. Should one be called on to introduce the Divan, he should use this introduction list starting with the Appointed Divan, Recorder, Treasurer, Oriental Guide, High Priest and Prophet, Assistant Rabban, Chief Rabban and Potentate.

We are usually praised for our good manners. The use of Shrine Protocol is certainly a demonstration of good manners.

FEZ ETIQUETTE

THE FEZ The Imperial Council has adopted the Fez as the exclusive head covering to be worn by all Nobles of the Mystic Shrine. It must be worn at all stated (regular) meetings, ceremonies (initiations), Shrine parades, special Shrine events and other Shrine related activities. **The Noble of the Mystic Shrine is admonished NEVER to wear his fez in any company or place in which he would decline to introduce his mother, wife, sister or daughter.**

SHRINE PINS A Shrine pin should be worn on the left lapel of the suit coat or sports coat. All Nobles are requested to wear this pin when wearing a coat. The occasions for wearing the Shrine pin may or may not be Shrine related. It should always be worn so that a Noble of the Mystic Shrine is identifiable, proudly and justifiably so to another Noble or brother Mason or to the public in general. The Shrine pin should be worn on the tuxedo if a fez is not worn with the tuxedo.

THE SALAAM A Noble addressing the Potentate while he is presiding in a tiled meeting shall always give the salaam. **SALUTE** The military salute is given when reciting the Pledge of Allegiance and during the playing of the National Anthem. A Noble wearing a fez should execute a right hand salute when the colors (the flag) are within six (6) paces of him. He will not remove his fez. In case the same colors pass the same place again the colors need not be saluted a second time.

SHRINE PLEDGE OF ALLEGIANCE “I pledge allegiance to my flag and to the country for which it stands; one nation, under God, indivisible with liberty and justice for all”

PRAYER During the offering of prayer, the fez should be removed and held in the right hand over the heart. Following the completion of the prayer with “Amen”, each Noble will chant in unison “So Mote It Be”.

GREETINGS Es Selamu aleikum – This is Arabic for “Peace be on you”

SALUTATION aleikum es selamu – This is Arabic for “on you be the peace”

213.1 TITLES

The Imperial Chaplain, Potentates, Past Potentates, Records, Grand Masters and Divan Members may have their titles embroidered in small letters in gold or silver bullion, silk or rhinestone jewels in one line beneath the emblem of the fez. Active member of official uniformed units or official clubs of a Temple may likewise have units or clubs in one line beneath the emblem as above for the term of appointment.

**Always remember, it the Temple Potentate who is responsible to see to it that his
Temple fezzes confirm to Shrine Law.**

SHRINE MASON NIGHT

The Potentate would like for all Clubs to sponsor a Shrine-Mason night in 2022.

New Shriners are the lifeblood of our fraternity. A Shrine-Mason Night can be scheduled by contacting the Chairman for Shrine Mason Nights in 2022, Noble Keith Stika, Membership Chairman or Noble Casey Van Faussien, Recorder. Both may be reached at the Omar Shrine Office. Your Divan will be happy to assist each of you in this honorable commitment by your Club. The Potentate will defray the food cost of any non-Shriner and his wife. Reasonable food cost of the entire meal will be defrayed, provided the Club has ten or more non-Shriners present for the presentation.

The program consists of the following:

1. The Club President, or his designated spokesman, should open the meeting by calling the gathering to order and give a statement of the purpose of the gathering.
2. The Club President should have a designated person or persons to do the invocation followed by the Pledge of Allegiance.
3. The meal should be served. The order of service should be: non-Shriners and their ladies first, Divan and their ladies second, club officers and their ladies third, past potentates and their ladies fourth, followed by all other nobles and their ladies.
4. Seating should be in accordance with Shrine Protocol. A copy of which is furnished in this manual.
5. Immediately following the meal, the Club President should welcome all guests and introduce his club officers and their ladies; next, he should introduce the Master of Ceremonies who will in turn introduce special guests, past potentates and their ladies (in reverse order), the Divan and their ladies and then the Potentate and First Lady. The Master of Ceremonies at this time will inform the guests that the Potentate will save his address for later in the program.
6. A short presentation on Masonry will be presented, and then the story of the Shrine will be told. All participants will be introduced, and a question and answer period will follow. (Approximate length 1 to 1 ¼ hours)
7. At the conclusion the Potentate will speak, and this will conclude the program.
8. The Master of Ceremonies will ask for benediction from the Club President's designate.

PETITION FOR INITIATION AND MEMBERSHIP

Nobles signing petitions for candidates should check to see that the candidate is in good standing in the Masonic Lodge. As long as a candidate holds current dues cards in his prerequisite body he may belong to any prerequisite body regardless of location.

When a Noble submits a petition for initiation and he knows of any health or physical problem regarding the candidate, he should advise the Recorder's office and it will be handled in a confidential manner.

Complete the petition in full before giving it to the Recorder's office. Be sure the full name and complete address in on the petition. Write your name and the name of your unit on the top of the petition.

If a candidate does not know his fez size, the Recorder's office will be happy to fit him with a fez. The cost of the initiation including a jeweled fez is \$250.00.

The Imperial Law requires the initiation fee to be paid in full before a candidate receives his initiation.

ASSOCIATE MEMBERSHIP

To apply for Associate membership, a Noble must be in good standing with his Mother Temple. Petitions for association with Omar Temple must be completed and voted on at the next meeting of the Temple.

He must meet the requirements of six months residency in Omar's jurisdiction. His dues will be \$44.00 per year to Omar. If for any reason the Noble loses his membership in his Masonic Lodge or his Mother Temple, he is automatically suspended from Omar.

An Associate Member shall have all rights and privileges of membership in both Temples except that he may not hold elective office in the second.

RE-INSTATEMENTS

There are three types of re-instateMENTS: automatic, short term and long term

Automatic: A Noble that has been suspended at the end of one year may re-instate upon payment of all arrears and will not have to be voted on provided payment is received by April 15 of the following year.

Nobles who have been suspended three years or less, if the above does not apply, must pay arrears and be voted on for membership.

AFFILIATIONS

A Noble may apply for affiliation if his current dues are paid in his now existing Temple and he has resided in our jurisdiction for a period of six months. There is no charge for affiliation; we just exchange current year's dues. If he is holding a demit from another Temple he must apply to Omar, be voted on and pay current year's dues, provided the demit was issued prior to the current year. A demit cannot be refused to anyone who is current in his Temple.

SHRINE CLUBS AND UNITS

CONTROL:

Shrine Clubs were formed to provide a place where Nobles may meet and fraternize with each other in local areas that are some distance from the Temple. Shrine clubs usually meet monthly, although some do meet weekly for a dinner meeting with good food and fellowship. To maintain the interest of members it is necessary for the Club to have activities such as ladies' nights, dances, and picnics and to sponsor fundraising projects to support our hospital program. Another important responsibility of a Shrine Club is to be a "showcase" for Masonry and Shrinedom in particular. This helps attract new members to the Blue Lodge and to the Shrine. All are encouraged to sponsor a Shrine-Mason night. Shrine clubs, if properly operated, are a most valuable asset to Shrinedom of North America. Improperly operated, they can be a source of trouble and embarrassment to the Nobility. However, there is a lack of knowledge among some members as to the scope in which clubs may operate and the manner by which they may execute their programs.

Many units and clubs have been disappointed over the years that the Divan could not be present at their activities, i.e., installations, Christmas parties, dances, ladies' nights, etc. There are so many functions taking place at the same time that is impossible for the entire Divan to be present at all of them. However, this year, we will attempt to provide the full Divan to as many requests as possible. When conflicts arise in the scheduling we will assign individual members to each request on a first come, first serve basis. Therefore, it is most important to furnish to the Recorder all meeting dates, ladies' nights or any type of activity that you would like the Divan to attend. Please do this at the earliest possible time.

Imperial By-law 337 States:

Shrine Clubs

1. An Organization of Nobles meeting as such using any of the emblems of the Order or having a title indicating it to be such may not be organized without the consent of the Potentate.
2. All Nobles who are members of a Shrine Club are amenable to the by-laws and regulations of the authorizing Temple whether they are members of that Temple or any other Temple.
3. The Shrine Club is under the control of the Potentate and he must approve any by-laws or amendments thereto adopted by the club before they can become effective

Careful reading of the Imperial By-law should leave no doubt in your mind that The Potentate of the controlling Temple exercises total authority and control over its officers, members and activities.

OPERATION

For a Shrine Club to be successful, attention must be directed to:

Careful planning and organization of the entire year's program.

As soon as all committee chairmen have been appointed, they, along with the club officers should be called to a special meeting. The purpose of their committees may be outlined, and discussion conducted to decide the procedure by which they should manage their programs of the year.

Establish and live within a progressive budget.

When planning the club's activities for the year be sure to consider your budget and what fundraising projects you will implement to fund the club's activities. This does not include fundraising projects for the hospitals.

Attention to maintenance of membership interest

A primary function of the president is to plan his year of activities to retain the interest of the members. In this endeavor he should seek the assistance of the program chairman. It is the program chairman's responsibility to see that his committee is actively seeking interesting programs for the meetings. Include in your meetings at least two (2) functions for the ladies. It is vitally important that the ladies be informed and have an interest in the club's activities. Keep the members alert to all new membership opportunities for the Club and Temple. Consideration should be given to inviting Nobles from your area who are not Club members to a ladies' night. In addition to any program you may have arranged a five to ten-minute talk on the Club's activities might be considered. The cost of the guest should be borne by the Club.

New Members for the Temple

In addition to recruiting a brother for membership by personal contact; as Shrine-Mason Night should be held by the Club. If held in conjunction with a ladies' night, invitations should be sent to the brethren and their ladies in your areas. Serious consideration should be given to the type of program you will have (i.e. films). A personal follow-up should be made within two weeks on each brother who attends. Please stress the attendance of the ladies. This is most important, as often; a wife's encouragement is all that is needed of a brother to "seek more light in Masonry".

Make every member understand that he is needed and a part of the Club. This can be accomplished by having active committee chairmen who will assign members to perform this job. Few members will volunteer but will gladly work if asked to:

Attendance at Temple Meetings

It is the responsibility of the club's officers to make a special effort to attend all Temple meetings or at least assign two or more members to attend the meetings in absence of the president or other officers. This helps keep the club members informed of Temple business/activities.

Publicity and Public Relations

It is the responsibility of each club member regardless of whether you are an officer of the club to promote positive publicity and to practice good public relations at all times.

Meetings should be scheduled on the same night each month.

It is imperative that the club officers and committees meet periodically so the goals of the various committees and the club might be better realized.

FINANCE:

It is of utmost importance that careful and accurate records of the club's finances be maintained. It is from these records that the Annual Shrine Club Report is prepared. This report form is generally mailed from the Temple Recorder's Office to each club early in December of each year. It is **mandatory** that the club president and secretary complete the form and return it to the Temple no later than February 15th. The Temple Recorder must file this report with Imperial Headquarters. In addition to the Shrine Club Report a separate financial statement covering the club's year must be prepared and mailed with the Shrine Club Report to the Temple. The report must be signed by a CPA or LPA. This financial statement is used to compile the needed information for the Temple's IRS report. **Please be sure to submit these two reports to the Temple by February 15th.**

INCORPORATION OF SHRINE CLUB HOLDING COMPANY (IMPERIAL BY-LAW 337.7)

The Articles of Incorporation or Association must include the following provision:

- It must be a nonprofit corporation or association and for the sole purpose of holding title to real or personal property other than cash and securities owned by the Club.
- The trustees and managing officers of the corporation or association must be members in good standing in the club and remain subject to the by-laws of the authorizing Temple and the control of the Potentate
- The sale, lease, exchange, mortgage, pledge or other such disposition of all, or substantially all, the properly and assets of the corporation, may only be upon such terms and conditions and for such consideration as shall be authorized by a vote of the Temple having jurisdiction of the Shrine Club at a stated meeting of the Temple or at a special meeting which sets forth in the notice of the meeting the specific nature of the business to be transacted

CONDUCTING MEETINGS

The success of the meeting will depend upon the skill and leadership of the President. The general palling of the meetings begins when the President receives the gavel and ends when he relinquishes it at the end of the term of office. The specific planning for each meeting starts long before the meeting date. However, meetings should be flexible enough to permit changes at the last minute.

- When a change is made by the Imperial Council affecting Shrine Law and the change affects the articles of incorporation or by-laws of the corporation unless prohibited by state law, are there upon changed to conform with those of the Imperial Council, and appropriate action shall be taken by this corporation to indicate the same.
- No amendment of the articles of incorporation shall be effective unless first approved by the Temple Potentate and the Chairman of Jurisprudence and laws Committee, General Counsel and the Imperial Potentate. In the event of dissolution, the assets and funds remaining after payment in full of all debts of the corporation or association shall be conveyed to the Temple or Shriners' Hospitals for Children.

No part of the assets or funds may inure to the benefit of any member of the corporation or association nor revert to any officer or trustee.

HOW TO CONDUCT A MEETING

To maintain the interest and attention of members it is important that meetings be opened on time and conducted in an orderly, professional manner. This is the president's (director's) responsibility and he can be greatly assisted by having a well-prepared program. A competent secretary can be very helpful in assisting him and ensuring that dues are paid.

The president or director should see that proper Shrine protocol is observed whenever there is visiting Divan present. He should recognize all visitors and invite them to return and acknowledge the special efforts of all members who have assisted with the program.

There is no doubt that the enjoyment of being with fellow Shriners is a big reason for attending the meeting and if this desire can be increased by means of informative meetings the results will be a strong and progressive club. All leaders should strive to attain this.

It is the prime function of a shrine club and unit to assist the Potentate of keeping the Nobility informed of the workings of the Temple. This can be achieved by adherence to the Temple By-laws and Instructions.

The president or director and his officers should strive to encourage a spirit of fellowship, pride and dignity that prevails in our great Order.

The following suggestions may help you do this:

Schedule your meetings and activities so they do not conflict with the Temple. There are to be no club or unit meetings scheduled during Temple meetings or ceremonies.

- Communicate with the Temple regarding meeting dates, places, projects, point credit, etc.
- Keep your members informed. This will help to keep them active.
- Select good chairman for committees.
- Train your members to prepare them for roles of leadership
- Plan carefully your year's program.
- Plan interesting programs for your meetings.
- Select adequate and proper meeting places. Get involved in Temple membership efforts and the hospital program. All clubs and units must have a membership chairman.
- All officers should attend Temple meetings. It is here that the business of the Temple is conducted.
- Have periodic ladies' nights. At a minimum, one in the spring and one in the fall.
- Exhibit a competitive spirit.

The president or director must work with the program chairman and committee in planning interesting programs. Some programs will be for entertainment and others will be for information on the work of the Shrine, from the club/unit level to the Imperial level. Meetings should not be long in duration or members will lose interest.

As president / director you should preside at all meetings. You will govern diplomatically never forcing your own convictions, yet directing the members toward a good constructive program. Plan the order of business. Learn and use parliamentary procedure. Avoid, if possible, unnecessary business from the floor that may cause arguments or dissension. Such business should be brought to the attention of the president/director and dealt with through a meeting of the officers.

UNIFORM COUNCIL AND TEMPLE UNITS

The purpose of the Uniform Council is to coordinate the activities of all the Temple Units. This involves facilitating plans for the presentation of units at Temple and public functions and promoting communications between the Temple and the units. The Uniform Council is composed of a Director, Major, Captain and Unit Heads.

Meetings of the council may be called by the Director or upon instruction from the Potentate whenever necessary. Unit directors are responsible for attending all meetings with their line officers. The public's impression of the Shrine is mainly formed from the colorful pageantry of our parades. This is one way of bringing the story of Shrinedom and Masonry to the public. This is the window through which the public sees our fraternity at work. Prior to parades of display of units, unit directors should see to the appearance of their men. It is their responsibility to remove from formation any member who is not a credit to the unit and the Shrine.

Although we are not a military unit, all parades and displays are to be carried out in a military like manner. For this reason, orders are issued as far in advance as possible and the Director of Uniform Units will advise the unit directors at least 10 minutes before the time scheduled to execute his instructions.

THE FOLLOWING REGULATIONS GOVERN SHRINE UNITS AND EVERY UNIT MEMBER MUST BE MADE AWARE OF THEM:

1. The units are part of the working corps of the Temple and are under the control of the Potentate.
2. No unit is permitted to participate in any parade of public exhibition without the approval of the Potentate.
3. Units are not permitted to perform in any place outside our Temple's Jurisdiction except with the consent of the Potentate of the Temple having jurisdiction.
4. Members of the Uniform Council have the authority, granted by the Potentate, to remove any Noble or Unit who shows a disinclination to abide by Shrine Law or fails to comply with orders of the Council Members.
5. Non-Shriners and ladies are not permitted to participate with Shrine units in ANY Shrine Sanctioned parade.
6. By Imperial Law and Potentate Edict, no alcoholic beverages will be permitted before, during or near any parade.
7. Parade vehicles must have a current insurance sticker. Stickers may be obtained from the Temple Recorder's Office upon proof of insurance.
8. Units must parade together in non-Shriner parades.

PARADES

A Shrine Parade is a showcase to the public. It is a viable setting tool we have for the non-Shriner that creates an interest for him or his family to ask questions about the Shrine i.e.

What is the Shrine? What does it stand for? What good does the Shrine do?

When young men and their families ask these questions, it gives the Shriners an opportunity to explain what we are about. What we do not need to do is explain away some unacceptable or risqué action in a Shrine Parade; nor do we want to spend our few minutes with these potential Shriners explaining “drinking in public”. We have observed paraders drinking beer or other alcoholic beverages in the assembly area prior to stepping off. The public observes us to! Surely, we can postpone drinking until a more appropriate time. In addition, many cities have ordinances prohibiting public display of such beverages and to do so makes us subject to arrest. Pieces of equipment placed in a parade should show the professional and fun side of Shrinedom. Exhibits suggesting nudity, (e.g., someone inside a bathtub nude from the waist up with water running over him) has been pulled repeatedly from Imperial Parades. Other distasteful entries may be a small structure built like an outhouse from which someone dressed in long underwear jumps put showing a catalog for toilet paper as he pulls at his flaps. Motorized units must remain aware when performing their acts that overall forward motion of the parade must be maintained or spectator interest will wane. Excessive backfiring or shooting blanks frightens small children and upsets their parents. Our parades are for our spectators and our endeavors should be to please them. We must strive to keep our parades clean, forward moving, enjoyable, entertaining, and safe and a positive selling tool to the potential Shriner and his family. Shrinedom is good clean fun with a lot of fellowship. Our humanitarian work to help the children in our hospitals and burn institutes is enviable. Let's keep our parades also enviable. If an accident occurs during a parade involving a Shrine vehicle, regardless of how trivial it may seem it must be reported to the Director of Uniform Units or his designee immediately. Every effort must be made to obtain names and addresses of any person who witnessed the accident.

Dos and Don'ts in the Parade

The Confederate Flag or any image thereof may not be displayed.

1. Parade areas will be designated and step off time indicated prior to any parade
2. Assembly time will be one (1) hour prior to step off time
3. Intervals of 40 paces between units are to be maintained constantly
4. Each unit will execute only one (1) salute
5. Unnecessary halting or delays are prohibited. Parade movements must be forward at all times. This applies to all types of units.
6. Absolutely no women, children, female impersonators or non-Shriners are allowed in any Shrine parade. The only exception is a nurse in uniform accompanying a Shrine Child.
7. Absolutely no drinking is allowed in any parade or during assembly.
8. No sirens or red lights are allowed.
9. Candy may be handed out curbside but must never be tossed into the crowd.
10. Units that are required to wear helmets MUST wear them.
11. Always uphold your Masonic and Shrine image.
12. All Unit Directors are required to maintain the proper pacing to avoid creating any gaps between units in the parade.
13. Any unit not prepared to step-off at their designated time will be moved to the rear of the parade.
14. National flags will always remain in an upright position during the parade.
15. Do not “Salaam” in a parade.
16. No demeaning displays, or discharge of firearms of any type, or other items that may be considered in poor taste are permitted.
