## Potentate's Corner

Greetings Fellow Nobles & Ladies,  
 Wanda and I are humbled and honored to serve as Potentate and First Lady of Omar Shriners for 2021, and wish to thank you once again for this tremendous privilege.

We pray each of you are well and safe as we move forward through these unprecedented, challenging times. While nothing ever remains the same, together we will continue to build upon our experiences as we continue developing a strong and unified fraternal and philanthropic Temple. Our office staff is back to regular hours and our Divan is willing and ready to assist you as needed.

Lady Wanda and I have enjoyed attending the events planned by our units and clubs, and appreciate the support given in 2021. We look forward to attending many other events throughout the year. We are here for you, and offer our support to all Nobles, Ladies, units and clubs. Please do not hesitate to contact us should you need any assistance whatsoever.

The 2021 Divan and Staff have planned an exciting Spring Ceremonial & Nobility Ball with many fun events. We hope you will make your plans to attend, as we are excited and looking forward to some fun and fellowship in the sun at the beach!

Fraternally,

Buddy & Wanda Ellis

## ***Ramblings from the Recorder***

Nobles,

When I first announced in 2018 that I was a candidate for Recorder, one position I stated was going to be a voice for our Nobility and keep our Nobility informed. I believe I have that duty to each of you and I intend to be honest with each and everyone of you. If you have questions and I do not know the answer, I will do my best to find the answer. That being said I feel it is my duty to address issues that are facing Omar and our Nobility.

Last year, the Divan, began having meetings with our Nobility trying to demonstrate the state of our financial situation. We began the process of changing our by-laws to increase our dues. Our dues have not been increased in approximately 20 years, the Omar portion of \$44.00 is insufficient to cover the cost of operating the Omar Shrine. We met with resistance to our proposal and were asked to provide leadership by our Nobility. A suggestion was made to get an appraisal of the Omar property, which we had completed. The appraisal of the property is \$8.7 million. An advisement committee was formed and given the task of reviewing the appraisal and looking at options. The advisement committee returned with the recommendation to sell the property. After much discussion, the Divan decided to move forward with the recommendation. The appropriate first step was for the Divan to vote on whether to sell the property; the motion to sell the property was approved. Although the Divan voted to sell, it does not mean that the property will be sold. **Ultimately, the property cannot be sold without the vote of the Nobility and Imperial's approval.** The property is being marketed by CBRE of Mount Pleasant, we will be receiving bids in June 2021. There is no cost to Omar from CBRE unless the Nobility votes to sell the property; and then the cost will only be their commission. I realize that my providing this information to you, our Nobility, will result in many questions and concerns but I believe that we should be as transparent as possible. I will repeat that only by the vote of the Nobility can the property be sold.

We, as Shriners, are here to work for our philanthropy, Shriners Hospitals for Children. While we work for our children, we must be diligent in insuring that we keep fraternal and charitable fundraising separate. What was once an accepted practice, apparently, is no longer the case. We are under constant scrutiny from Imperial, the public, and even our fellow Nobles. We must work with each other, not against. We are working for the same goal, the betterment of our Shriners Hospitals for Children. The following is from the Shriners' Creed; ***as individuals we pledge ourselves to integrity, virtue, and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other. As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.*** I include this because I believe that we need to help each other to conform to the policies and procedures that must follow.

Last year in the middle of the pandemic your Temple needed your support more than ever before; each one of you responded tremendously. We came together and raised money that enabled the Temple to continue functioning. We have had a couple of very good fundraisers, the Bring on Spring Golf Tournament and the St. Patrick's Day Party were successful. We need everybody to pull together to make 2021 a Great Year. Our Kubota raffles are behind last year, we need to get the Kubota side by side and the Zero turn mower out to as many festivals, club and unit events that we possibly can. The \$20K Giveaway tickets are out there to sell and buy, remember this will be given away in August.

But wait, one more item. WE ARE HAVING A CEREMONIAL!!!! Come on down to Myrtle Beach, May 6-9<sup>th</sup>. We are going to have a great time and fellowship. We will be having a parade, candidates making money, and it will be so good to get together again. I hope to see you there.

Remember, if you need me to help you; email [recorder@omarshriners.org](mailto:recorder@omarshriners.org) or call me 803-682-0623.

YITF,  
Casey

## From the Desk of Imperial Sir Kenny Craven

Dear Omar Members:

I hope that you all have been doing well and staying safe. Throughout the challenging times we've all faced in the past year, I've been very proud of the work that the Omar Divan, Clubs and Units have continued to do to support our fraternity and philanthropy.

We have been working on some exciting projects at the national level for Shriners Hospitals for Children that many Shriners in Omar's jurisdiction will want to mark on the calendar. We will soon be announcing a new partnership between ESPN and Shriners Hospitals for Children for our healthcare system to become title sponsor and charitable beneficiary of the annual Shriners Children's Charleston Classic. This is a three-day NCAA Division I men's basketball tournament that will be hosted at the College of Charleston from November 18-21. Eight universities will participate in 12 games on live, national television to promote the work of Shriners Hospitals for Children. The teams for the 2021 tournament will be announced in May.

On September 4, Shriners Hospitals for Children will sponsor NASCAR driver Jesse Little as he races in the SportsClips Help a Hero 400 at Darlington Raceway. Members of Omar have helped make this motorsports project a success for Shriners Hospitals for Children over the past several years.

On behalf of the Imperial Divan, I would like to thank you all for the important work you do to grow our fraternity and support our healthcare system.

Kenny Craven  
Imperial Assistant Rabban

Milcah Temple  
No. 77  
Remarks from  
The Queen

Who would have ever imagined that 2020 would be a year that most of us spent at home, with very little interaction with our family, friends and our extended family within our fraternal organizations? I'm hopeful that 2021 looks very different and that we all get to spend a lot of time together. I'm Kim Stone, the 75<sup>th</sup> Queen of Milcah Temple No. 77, Daughters of the Nile. I've grown up with the Omar Shriners and Daughters of the Nile, as I am the daughter of Illustrious Sir Randolph "Randy" Harley, Past Potentate and Past Queen Theresa "Terri" Harley. I'm looking forward to continuing the Legacy that my family has with the Shriners Hospitals for Children.

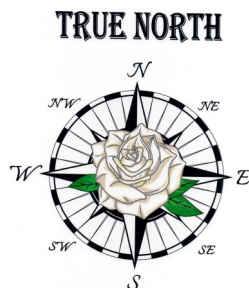

Milcah Temple No. 77 is planning several fundraisers and would love the support of Omar. We will be selling "For the love of the Children" pins, raffle tickets for wooden welcome signs, hosting a DIY art project day with our clubs in Florence & Orangeburg and having a Pig & Pearls BBQ on August 21, 2021.

Membership is the key to our success. If any of the Ladies of Omar are interested in becoming a Daughter of Nile, please do not hesitate to reach out to me or any other member of Milcah Temple. As a reminder, Milcah meets on the first Tuesday of every month at 7:00 p.m. (except July & August) at Omar. If you are already a member, we would love to see you at our monthly meetings.

Daughters of the Nile was founded in 1931 and is open to ladies 18 years of age or older, who are related by birth or marriage to a Shriner, Master Mason or Daughter of the Nile; or a Majority Member in Good Standing of a Masonic-related organization for girls; or who was a patient with or without Shrine or Masonic relations, at a Shiner's Hospital for Children.

We are looking forward to working with Omar for the Children of Shriners Hospitals for Children!

*From the Desk of  
The Editor*

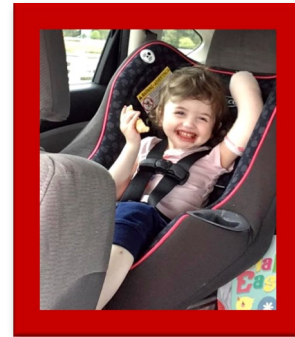

2021 has brought great changes to our society. Many of us were forced into the unfamiliar world of the internet, zoom TicToc, Instagram and other strange words.

The Infomar will also have a new face in 2021. We are going totally electronic. Copies of each edition will be emailed to the email address you have on file in WebFez. The Infomar will also be uploaded to Omar's Website [www.omarshriners.org](http://www.omarshriners.org) available for each Noble or Lady to download.

As we make this changeover and to make sure each person receives a copy, we will mail a hard copy to each member (both courtesy and active) that do **not** have an email address on file in WebFez. This is the only hard copy mailed this year unless you advise by mail that you do not have access to the internet. Those notifications should be sent to Omar Shriners, 176 Patriots Point, Mt. Pleasant, SC 29464 Attn: Infomar Editor

We also encourage you to send your articles. You may email them to: [infomareditor@gmail.com](mailto:infomareditor@gmail.com)
